

# Patti LaBelle, If Only You Knew

I must have rehearsed my lines a thousand times,  
Until I had them memorized.

But when I get up the nerve to tell you,  
the words just never seem to come out right.

[Chorus:]

If only you knew how much I do,  
do love you. If only you knew,  
how much I do, I do need you.

I dream of moments we share but your not there,  
I'm living in a fantasy.

Cause you don't even suspect,  
could probably care less,  
about the changes I been going through.

[Chorus]

No, you don't even suspect,  
Could probably care less,  
about the changes I been going through.

[Chorus x2]

Oh, if, if....

in my....

love you.....

life....You don't know,

I say you don't know,

how much I need you sugar,

If only you knew,

how much I do,

I say you don't know that I love you,

and I'm so fond of you...I love you baby.
