## Paul McCartney, Beck, Find My Way

Well, I can find my way I know my left from right Because we never close I'm open day and night

I know my way around I walk towards the light I'm open 'round the clock I don't get lost at night

You never used to be afraid of days like these But now you're overwhelmed by your anxietties Let me help you out Let me be your guide I can help you reach the love you feel inside
