

# Paul McCartney, Blue Jean Bop

(Vincent/Levy)

Bluejean baby, with your big blue eyes  
Don't want you looking at other guys  
Got to make you give me, one more chance  
I can't keep still, so baby let's dance

Well the bluejean bop is the bop for me  
It's the bop that's done in a dungaree  
You flip your hip, free your knee  
Squeel on your heel baby, one to three  
Well the bluejean bop, bluejean bop  
Oh baby, bluejean bop, bluejean bop  
Oh baby, bluejean bop, baby won't you bop with Gene. (Bop Blue Caps, Bop)

Well bluejean baby when I bop with you  
Well my heart starts hoppin` like a kangaroo  
My feet do things they never done before  
Well bluejean baby, give me more more more  
Well the bluejean bop, bluejean bop  
Oh baby, bluejean bop, bluejean bop  
Oh baby, bluejean bop, baby won't you bop with Gene. (Rock again Blue Caps, Go)

Well the bluejean bop, bluejean bop  
Oh baby, bluejean bop, bluejean bop  
Oh baby, bluejean bop, baby won't you bop with Gene.  
(Blue Caps, bop with Gene, Let's go)

Well the bluejean bop, bluejean bop  
Oh baby, bluejean bop, bluejean bop  
Oh baby, bluejean bop, baby won't you bop with Gene.
