

# Paul McCartney, Children, Children

I know a tiny waterfall  
A magic little place  
Where we can play together  
And watch the fishes race  
Children Children, where are you?  
Hiding in the forest, playing in the rain  
I hope you're not too far away  
For me to see you again  
Oh well, I know where there's a fairy  
Who will invite us all to tea  
But she won't let me in alone  
You have to come with me  
Children Children, where are you?  
Hiding in the forest, playing in the rain  
I hope you're not too far away  
For me to see you again  
I know a tiny waterfall  
A magic little place  
Where we can play together  
And watch the fishes race  
Children Children, where are you  
Hiding in the forest, playing in the rain  
I hope you're not too far away  
For me to see you again
