Paul McCartney, Coming Up

You want a love to last forever One that will never fade away I want to help you with your problem Stick around I say

Coming Up, coming up, yeah Coming up, like a flower Coming up, I say

You want a friend you can rely on One who will never fade away And if you're searching for an answer Stick around, I say

Coming Up, coming up Coming up, like a flower Coming up, yeah

You want some peace and understanding So everybody can be free I know that we can get together We can make it, stick with me

It's coming up, coming up Coming up, like a flower Coming up for you and me

Coming Up, coming up, I say Coming up, like a flower Coming up, I feel it in my bones

You want a better kind of future One that everyone can share You're not alone, we all could use it Stick around, we're nearly there

Coming Up, coming up everywhere Coming up, like a flower Coming up for all to share

Coming up, yeah Coming up, anyway Coming up, like a flower Coming up
