Paul McCartney, Country Dreamer

I'd like to walk in a field with you, take my hat and my boots off too. I'd like to lie in a field with you. Would you like to do it too, may? Would you like to do it too? I'd like to stand in a stream with you, roll my trousers up and not feel blue. I'd like to wash in a stream with you. Would you like to do it too?

You and I, country dreamer, when there's nothing else to do; Me oh my, conutry dreamer, make a country dream come true.

I'd like to climb up a hill with you, stand on top and admire the view. I'd like to roll down a hill with you. Would you like to do it too, may? Would you like to do it too?

I'd like to climb up a hill with you, take my hat and my boots off too. I'd like to lie in a field with you. Would you like to do it too, may? Would you like to do it too?
