

Paul McCartney, Follow Me

(Paul McCartney)

You lift up my spirits, you shine on my soul
Whenever I'm empty, you make me feel whole
I can rely on you, to guide me through, any situation
You hold up a sign that reads, follow me.

You give me direction, you show me the way
You give me a reason, to face every day
I can depend on you, to send me to, any destination
You hold up a sign that reads, follow me, follow me.

Down the track of loneliness, down the path of love
Through the words of heartache, to the end
On the shores of sorrow, where the waves of hope crash in
The perfect place for me to find a friend. ahh yeah yeah yeah, oh

You lead to places, that I've never been
Uncovering secrets, that I've never seen
I can rely on you, to guide me through, any situation
You hold up a sign that reads, follow me, follow me,
Follow me, follow me,
Follow me, follow me
