

Paul McCartney, Gratitude

Gratitude [3x]

I'm so grateful for everything you've ever givin' me
How can I explain what it means to be loved by you

By you, loved by you, loved by you

Show my gratitude, gratitude, show my gratitude

I wanna show my gratitude, gratitude ya.

Well, I was lonely, I was living with a memory

But my cold and lonely nights ended when you sheltered me

Loved by you, I was loved by you, ya, I was loved by you

I wanna show my gratitude, gratitude, show my gratitude to you

Gratitude, show my gratitude to you, oh ya

I should stop loving you

Think what you put me through

But I don't want to lock my heart away

I will look forward to

Days when I'd be loving you

Until then, gonna wish and hope and prey

Ya ya ya ya ya!

I wanna show my gratitude, gratitude

I wanna show my gratitude, show my

Yeah my gratitude

To be loved by you, be loved by you,

Loved by you, to be loved by you

Gratitude [3x]
