

# Paul McCartney, How Kind Of You

How kind of you to think of me  
When I was out of sorts  
It really meant a lot to be  
In someone else's thoughts  
Someone else's mind  
Someone else as kind, as you

The thoughtfulness you showed has made  
A difference in my life  
I won't forget how unafraid  
You were that long dark night

I thought that all was lost  
I thought I'd never find  
A someone quite as kind, as you

I thought my faith had gone  
I thought there couldn't be  
A someone who was there, for me

How kind of you to stick by me  
During the final bout  
And listened to the referee  
As I was counted out

I thought my time was up  
I thought I'd never find  
A someone quite as kind, as you

I thought my faith had gone  
I thought there couldn't be  
A someone who was there for me

How kind of you to think of me  
How kind of you...
