

Paul McCartney, Little Willow

Bend, little willow
Wind's gonna blow you
Hard and cold tonight

Life, as it happens
Nobody warns you
Willow, hold on tight

Nothing's gonna shake your love
Take your love away
No one's out to break your heart
It only seems that way... hey

Sleep, little willow
Peace gonna follow
Time will heal your wounds

Grow to the heavens
Now and forever
Always came too soon

Little willow

Nothing's gonna shake your love
Take your love away
No one's out to break your heart
It only seems that way... hey

Bend, little willow
Wind's gonna blow you
Hard and cold tonight

Life, as it happens
Nobody warns you
Willow, hold on tight

Ah, little willow
Little willow
