

# Paul McCartney, My Love Pm

No More Lonely Nights

Paul McCartney

I can wait another day until I call you

You've only got my heart on a string and everything a'flutter

But another lonely night might take forever

We've only got each other to blame

It's all the same to me love

'Cause I know what I feel to be right

No more lonely nights

No more lonely nights

You're my guiding light

Day or night I'm always there

May I never miss the thrill of being near you

And if takes a couple of years

To turn your tears to laughter

I will do what I feel to be right

No more lonely nights (Never be another)

No more lonely nights

You're my guiding light

Day or night I'm always there

And I won't go away until you tell me so

No, I'll never go away

Yes, I know what I feel to be right

No more lonely nights (Never be another)

No more lonely nights

You're my guiding light

Day or night I'm always there

And I won't go away until you tell me so

No, I'll never go away

And I won't go away until you tell me so

No, I'll never go away

No more lonely nights, no, no...
