

Paul McCartney, Something

Something in the way she moves, attracts me like no other lover
Something in the way she wo-os me
I don't want to leave her now, you know I believe and how

Somewhere in her smile she knows, that I don't need no other
lover
Something in her style that shows me
I don't want to leave her now, you know I believe and how

You're asking me will my love grow,
I don't know, I don't know
You stick around now it may show,
I don't know, I don't know

[guitar solo]

Something in the way she knows, and all I have to do is think of
her
Something in the things she shows me
I don't want to leave her now, you know I believe and how
