

# Paul McCartney, The Man By

There's a man  
Who plays the game of life so well  
There's such a man  
His thoughts you can never tell  
And it's just the way he thought it would be  
'cause the day has come for him to be free  
Then he laughs, he kicks and rolls up his sleeves  
I'm alive and I'm here forever  
This is the man  
There's a man  
Everybody thought they knew  
There's such a man  
He's not like me and you  
And it's just the way she thought it would be  
As he says, something has happened to me  
Then he laughs, he kicks and rolls up his sleeves  
I'm alive and I'm here forever  
This is the man

And it's just the way he thought it would be  
'cause the day has come for him to be free  
Then he laughs, he kicks and rolls up his sleeves  
I'm alive and I'm here forever  
This is the man

Did you know - this man can do anything?  
There's such a man  
I wish that we could bring  
And it's just the way he thought it would be  
'cause the day has come for him to be free  
Then he laughs, he kicks and rolls up his sleeves  
I'm alive and I'm here forever  
This is the man

There's a man  
Everybody thought they knew  
There's such a man  
He's not like me and you  
And it's just the way she thought it would be  
As he says, something has happened to me  
Then he laughs, he kicks and rolls up his sleeves  
I'm alive and I'm here forever  
This is the man
