

# Paul McCartney, Twice In A Lifetime

Now I know that it can easily happen  
To someone like me  
I don't want to step on anybody's toes

Who knows how to find love  
Think before you give your answer  
Who knows what a mystery may bring

Once in a life I'm a lucky man  
If I can find the kind of love  
That's gonna last for me

Twice in a lifetime  
Is one of those unspoken dreams  
We usually reserve for fantasy

Who knows how we find love  
Stop before you give your answer  
Who knows when a mystery begins

I know, I know  
I know because it's happening to me  
I know, I know

Twice in a lifetime  
Is one of those unspoken dreams  
We usually reserve for fantasy

Who knows how we find love  
Stop before you give your answer  
Who knows when a mystery begins

I know, I know  
I know because it's happening to me  
I know, I know
