## Paul McCartney, Uncle Albert / Admiral Halsey

We're so sorry, Uncle Albert We're so sorry if we caused you any pain We're so sorry, Uncle Albert But there's no one left at home And I believe I'm gonna rain

We're so sorry but We haven't heard a thing all day We're so sorry, Uncle Albert But if anything should happen We'll be sure to give a ring

We're so sorry, Uncle Albert But we haven't done a bloody thing all day We're so sorry, Uncle Albert But the kettle's on the boil And we're so easily called away

Hands across the water, water Heads across the sky Hands across the water, water Heads across the sky

Admiral Halsey notified me He had to have a berth Or he couldn't get to sea I had another look and I had a cup of tea And a butter pie

(Butter pie?) The butter wouldn't melt So I put it in the pie

Hands across the water, water Heads across the sky Hands across the water, water Heads across the sky

Live a little, be a gypsy Get around (get around) Get your feet up off the ground Live a little, get around

Live a little, be a gypsy Get around (get around) Get your feet up off the ground Live a little, get around

Hands across the water, water Heads across the sky Hands across the water, water Heads across the sky
