

# Paul McCartney, Your Loving Flame

(McCartney)

How can I hope to reach your love  
Help me to discover  
What it is you're thinking of

'Cos when we kiss, nothing feels the same  
I could spend eternity  
Inside your loving flame

What am I to do  
If I don't have you  
I'll be feeling blue  
Just sitting here without you  
You could be the one  
To chase my blues away, away

So tell me how, how to reach your love  
Help me to discover  
What it is you're thinking of

'Cos when we kiss, nothing feels the same  
I could spend eternity  
Inside your loving flame

What am I to do  
If I don't have you  
I'll be feeling blue  
Just sitting here without you  
You could be the one  
To chase my blues away, away

'Cos when we kiss, nothing feels the same  
I could spend eternity  
Inside your loving flame

So tell me how, how to reach your love  
Help me to discover  
What it is you're thinking of

How can I hope to reach your love  
Here forever in your loving flame
