

# Paul Weller, Hercules

All we fear, is fear itself  
Check out your own backyard before you check out someone else  
Railroad track, in my neighbourhood  
Aint no trains around this place, just aint no good

And all I know, is whats going down,  
When the dealer on the corner looks like the sharpest cat in town  
Jungle rule, cant be no fool  
Might get caught by the hook or crook, no time for cool

Look out kid, what you did, what you carrying brother  
I hope youre clean cause the man is mean, dont come another further

We all know the answers, must come out in time  
I might even carry some of your load, right along with mine

Thank you maam, mister please  
but I must be Hercules  
I must be Hercules

Like a bird, on the wing  
I just wanna be free enough to do my thing  
I can feel the pressure, from every side  
If you dont wanna help, dont hurt, just stand aside

We all know the answers, must come out in time  
I might even carry some of your load, right along with mine

Thank you maam, mister please  
but I must be Hercules  
Hercules  
oh Hercules

Hercules  
I must be Hercules

Got your feet, in the sand  
Got to be down with the cats in town, but still got the face the man

Talk about me if you please but I must be Hercules  
Hercules  
oh Hercules

Talk about me if you please but I must be Hercules  
must be Hercules.
