

Paulina Lenda, Hey, I love you

Hey, I love you
And nothings gonna change my feelings for you
I love you
Simply, truly, deeply, believe me
I love you even know that my love is wasted
You have to know I love you
I love you
I love you

Hey, I love you
Please understand what you mean to me
How could I forget your eyes
Your mind, your soul, your voice and touch?
Don't ask if I'm still love in you
Even know that my love is wasted
You have to know I love you
I love you
I love you

Hey, I love you
