

# Paulina Lenda, Hey, I love you

Hey, I love you  
And nothings gonna change my feelings for you  
I love you  
Simply, truly, deeply, believe me  
I love you even know that my love is wasted  
You have to know I love you  
I love you  
I love you

Hey, I love you  
Please understand what you mean to me  
How could I forget your eyes  
Your mind, your soul, your voice and touch?  
Don?t ask if I?m still love in you  
Even know that my love is wasted  
You have to know I love you  
I love you  
I love you

Hey, I love you
