Pearl Jam, Bu\$hleaguer

How does he do it? How do they do it? Uncanny and immutable This is such a happening tailpipe of a party Like sugar, the guests are so refined

A confidence man, but why so beleaguered? He's not a leader, he's a Texas leaguer Swinging for the fence, got lucky with a strike Drilling for fear makes the job simple Born on third, thinks he got a triple

Blackout weaves its way through the cities Blackout weaves its way through the cities Blackout weaves its way

I remember when you sang That song about today Now it's tomorrow and Everything has changed

A think tank of aloof multiplication
A nicotine wish and a columbus decanter
Retrenchment and hoggishness
The aristocrat choir sings
"What's the ruckus?"
The haves have not a clue
The immenseness of suffering
And the odd negotiation, a rarity
With onion-skin plausibility of life
And a keyboard reaffirmation

Blackout weaves its way through the cities Blackout weaves its way through the cities Blackout weaves its way

I remember when you sang That song about today Now it's tomorrow and Everything has changed.
