

# Pearl Jam, Can't Deny Me

and now you want me to breath  
and be so grateful  
for the air that I need  
don't make me painful  
and in the morning light  
we're just the same you and me  
I am the ghost of officials  
a propensity to breed

the higher  
the farther  
the faster you fly  
you may be rich, but you can't deny me  
got nothing  
got nothing  
but the will to survive  
you can't control  
and you can't deny me

your lies are sick  
are sick and they're vile  
you can't deny me

try to talk down to me  
my mind it ain't so simple  
where's your vocabulary?  
ypur ignorance is sinful
