

# Pearl Jam, Hitchhiker

You fool, dude what do what you think you're doing?  
So you're lost, my problem, that's not  
Conductor says, "off of my train"  
We understood, guest/host relationships ain't my thing  
Even if i could, you aint the kind of person i would help anyway  
I'm about to explode  
Cuz i can't carry your load  
Hitchhiker... go, hitchhiker  
You're cool, and cold in your calculations  
We're friends, only because of my situation  
I'm about to unload  
Cuz i can't carry your load  
Hitchhiker... go, hitchhiker  
Hitchhiker...  
So be gone, too soon is too late  
I dont want no delay  
So be gone, get your food off someone else's plate  
Go tell all your friends  
I'm an idiot and you're great  
Hitchhiker... hitchhiker...  
Now go, hitchhiker... go, hitchhiker
