

Pearl Jam, Indifference

i will light the match this mornin', so i won't be alone
watch as she lies silent, for soon light will be gone
i will stand arms outstretched, pretend i'm free to roam
i will make my way, through, one more day in hell...
how much difference does it make
how much difference does it make...
i will hold the candle till it burns up my arm
i'll keep takin' punches until their will grows tired
i will stare the sun down until my eyes go blind
hey i won't change direction, and i won't change my mind
how much difference does it make
how much difference does it make..
how much difference...
i'll swallow poison, until i grow immune
i will scream my lungs out till it fills this room
how much difference
how much difference
how much difference does it make
how much difference does it make...
