## Pearl Jam, Leash

troubled souls unite, we got ourselves tonight.. i am fuel, you are friends, we got the means to make amends i am lost, i'm no guide, but i'm by your side i am right by your side... young lover i stand it was their idea, i proved to be a man take my fucking hand it was their idea, i proved to be a man will myself to find a home, a home within myself we will find a way, we will find our place drop the leash, drop the leash... get outta' my fuckin' face drop the leash, drop the leash... get outta' my fuckin' face drop the leash, drop the leash... get outta' my fuckin' face drop the leash, we are young drop the leash, we are young get outta' my fuckin' face... drop the leash, drop the leash... get outta' my, my... delight, delight in our youth... get outta' my fuckin' face...
