

Pearl Jam, Soon Forget

sorry is the fool who trades his soul for a corvette
thinks he'll get the girl, he'll only get the mechanic
what's missing? he's living a day he'll soon forget
that's one more time around, the sun is going down
the moon is out, but he's drunk and shouting, putting people down
he's pissing, he's living a day he'll soon forget
counts his money every morning
the only thing that keeps him horny
locked in a giant house, that's alarming
the townsfolk, they all laugh
sorry is the fool who trades his love for high-rise rent
seems the more you make, equals the loneliness you get
and it's fitting, he's barely living, a day he'll soon forget
that's one more time around, there is not a sound
he's lying dead clutching benjamins, never put the money down
he's stiffening, we're all whistling
a man we'll soon forget
