

# Pearl Jam, Wash

Oh please, let it rain today  
This city is so filthy, like my mind in ways  
Oh, was a time, like a clean, new taste  
Smiling eyes before me, inches from my face  
Wash my love (2x)  
Wash my love, yeah...  
Sin to sell, buying just a need  
Just who planted, all the devils seeds  
And what the truth, and the truth that lies at home  
It's on the inside, and I can't get it off, yeah...  
Wash my love (2x)  
Wash my love, yeah...  
What's clean is pure, but hey, I'm white on the outside, though I stray  
What she don't know today, might kill us both tomorrow, bring it back someday  
Bring it back, bring it back, back to the clean form, to the pure form  
Wash my love (8x)  
Ooh...
