

# Pearl Jam, You've Got To Hide Your Love Away

Here I stand, head in hand  
turn my face to the wall  
if, shes gone, I cant go on  
feeling two foot small  
Everywhere, people stare  
Each and every day  
I can see them laugh at me  
and I hear what they say  
Hey, youve got to hide your love away (x2)  
How can I even try?  
I can never win  
Hearing them, seeing them,  
In the state Im in  
How could she  
say to me, &quot;love will find a way&quot;?  
gather round all you clowns  
let me hear you say  
Hey, youve got to hide your love away (x2)
