

# Pennywise, Bro Hymn

To all my friends, present past and beyond  
Especially those who weren't with us too long  
Life is the most precious thing you can lose  
While you were here the fun was never ending  
Laugh a minute was only beginning  
Canton, Colvin, Nichols, this one's for you

Ever get the feeling you can't go on  
Just remember whose side it is that you're on  
You've got friends with you till the end  
If you're ever in a tough situation  
We'll be there with no hesitation  
Brotherhood's our rule we cannot bend

When you're feeling too close to the bottom  
You know who it is you can count on  
Someone will pick you up again  
We can conquer anything together  
All of us are bonded forever  
If I die you die that's the way it is

To all my friends, present past and beyond  
To all those who weren't with us too long  
Life is the most precious thing you can lose  
While you were here the fun was never ending  
Laugh a minute was only the beginning  
Canton, Colvin, Nichols, this one's for you
