

# Pennywise, Wake Up

woke up this morning  
hoping for a better day  
gotta make a change right now  
gotta find a better way  
i took a good look at my problems  
and their piling up in my head  
gotta take a chance right now  
before i wind up dead

wake up my friend  
someones knocking at your door  
last chance for you  
its time to even up the score  
so many reasons for living  
but you wont even try  
wake up and take back your life

When i look in the mirror  
i dont like what i see  
im like a stranger in a foreign town  
it doesnt even look like me  
gotta find a way back to  
the place where i belong  
dont know where im going but  
i know where im going wrong

wake up my friend  
someones knocking at your door  
last chance for you  
its time to even up the score  
so many reasons for living  
but you dont even try  
wake up and take back your life
