Pentatonix, Break My Heart

I've always been the one to say the first goodbye Had to love and lose a hundred million times Had to get it wrong to know just what I like (What I like)

Now I'm falling

You say my name like I have never heard before I'm indecisive, but, this time, I know for sure I hope I'm not the only one that feels it all (Feels it all) Are you falling?

Center of attention
You know you can get whatever you want from me
Whenever you want it, baby
It's you in my reflection
I'm afraid of all the things it could do to me
If I would've known it, baby

I would've stayed at home
'Cause I was doing better alone
But when you said, "Hello"
I knew it was the end of it all
I should've stayed at home
'Cause now there ain't no letting you go
Am I falling in love with the one that could break my heart?

Oh no, 'cause I was doing better alone
But when you said, "Hello"
I knew it was the end of it all
I should've stayed at home
'Cause now there ain't no letting you go
Am I falling in love with the one that could break my heart?

I wonder, when you go, if I stay on your mind Two can play that game, but you win me every time Everyone before you was a waste of time (Oh) Yeah, you got me (Oh, woah)

Center of attention
You know you can get whatever you want from me
Whenever you want it, baby
It's you in my reflection
I'm afraid of all the things it could do to me
If I would've known it, baby

'Cause I was doing better alone
But when you said, "Hello"
I knew it was the end of it all
I should've stayed at home
'Cause now there ain't no letting you go
Am I falling in love with the one that could break my heart?

Oh no, 'cause I was doing better alone
But when you said, "Hello"
I knew it was the end of it all
I should've stayed at home
'Cause now there ain't no letting you go
Am I falling in love with the one that could break my heart?

Ooh, break my heart Ooh, break my heart You break my heart and I am Am I falling in love with the one that could break my heart? I would've stayed at home
'Cause I was doing better alone
But when you said, "Hello"
I knew it was the end of it all
I should've stayed at home
'Cause now there ain't no letting you go
Am I falling in love with the one that could break my heart?
