

# Pentatonix, Winter Wonderland / Don't Worry Be

Sleigh bells ring, are you listening  
In the lane, snow is glistening  
The beautiful sight, we're happy tonight  
Walking in a winter wonderland

Gone away is the bluebird  
Here to stay is the new bird  
He sings a love song, as we go along  
Walking in a winter wonderland

In the meadow we can build a snowman  
Then pretend that he is Parson Brown  
He'll say: Are you married? We'll say: No man  
But you can do the job when you're in town

Later on, we'll conspire  
As we dream by the fire  
To face unafraid, the plans that we've made  
Walking in a winter wonderland

In the meadow we can build a snowman  
And pretend that he's a circus clown  
We'll have lots of fun with mister snowman  
Until the other kid is knockin' him down

When it snows, ain't it thrilling  
Though your nose gets a chilling  
We'll frolic and play, the Eskimo way  
Walking in a winter wonderland

Here's a little song I wrote  
You might want to sing it note for note  
Don't worry, be happy  
Don't worry be happy now

Don't worry  
Don't worry, be happy  
Don't worry, be happy now  
Don't worry, 'cause we're walking in a winter wonderland
