

Persona, Bête Noire

SHAPESHIFTING BLAZE!
A GHOST FROM YOUR SCREAMS!
I prey on memories you
BURIED IN HAZE!
CONCEALED IN YOUR DREAMS!
On scars veiled and unconfessed!

I'm toxic ice!
A deadly tide!
I'm the cry of doubt you
Try to hide!

I will come when your soul is weak!
Bearer of the truth
YOU WON'T DARE TO SPEAK!
I grow when your mind's unclear!
You're my mirror,
I'm your FEAR!

I SING IN YOUR BLOOD!
I CREEP THROUGH YOUR SKIN!
I make the time stand still
WITH CHORUS OF DREAD!
WITH HORRORS UNSEEN!
I'll burn you out until

Your reason's gone!
You lose it all!
Conjuring your nightmare
While you fall!

I reveal what your heart witholds
Silent screams and chambers
WHERE TERROR UNFOLDS!

I wake your foregone mistakes!
My embrace is all
It takes...

LOCKED IN A PRISON I MADE JUST FOR YOU
WATCHING YOUR LIFE PASSING BY!
YOU'LL ROT IN MY ARMS AND YOU'LL NEVER BREAK THROUGH
WHILE YOU REJECT AND DENY ME!

You feed on my buried scars,
On my blinding doubt but
I will make you disappear!
I'm your mirror,
YOU'RE MY FEAR!
