

# Pet Shop Boys, Did You See Me Coming?

Chorus

Did you see me coming  
Was I that obvious  
For all of a sudden  
There were just two of us

You don't have to be in Who's Who  
to know what's what  
You don't have to be a high flier  
to catch your slot  
The night we met was cold and wet  
I needed a drink or two  
I saw you standing there and I knew  
I'd like to be loved by you

Chorus

Did you see me coming  
Was I that obvious  
For all of a sudden  
There were just two of us

You don't have to be what's what  
to know who's who  
You don't need the DNA  
to find the proof  
Then and there my life made sense  
You were the evidence

Chorus

Did you see me coming  
Was I that obvious  
For all of a sudden  
There were just two of us

Did you see me coming  
I thought I'd have to make  
All of the running  
I was all yours to take

Bridge

I'm not superstitious  
Or really religious  
Just to thyself be true  
But now I think I'm starting  
to believe in fate  
Because it delivered you

Chorus

Did you see me coming?  
Was I that obvious  
For all of a sudden  
There were just two of us

Did you see me coming?  
I thought I'd have to make  
All of the running  
I was all yours to take

Did you see me coming?  
Was I that obvious  
For all of a sudden  
There were just the two of us
