Pet Shop Boys, Heart (Disco Mix)

(Beats) (H-H-Heartbeats) Every time I see you something happens to me Like a chain reaction between you and me My heart starts missing a beat My heart starts missing a beat Every time Oh oh oh, every time Oh oh oh, every time If I didn't love you, I would look around for someone else But every time I see you, you have the same effect My heart starts missing a beat My heart starts missing a beat Every time Oh oh oh, every time Oh oh oh, every time Every time I hear your heart beat next to me I'm in love with you; I mean what I say I'm in love with you, and you don't know What it means to be with you (Beats) (Beats) (Beats) (H-H-Heartbeats) (Beats) (Beats) (Beats) (H-H-Heartbeats) Every time I see you, no matter what we do There's a strange reaction, can you feel it too?
