

Pet Shop Boys, I Don't Know What You Want But

Did you get what you want
Do you know what it is
Do you care
Is he better than me
Was it your place or his
Who was there
Did you think it was wrong
Do you find that it's worse than it was
Has it gone on too long
Do you mind that it hurts me because
You're breaking my heart

don't know what you want but I can't give it anymore
don't know what you want but I can't give it anymore

You're breaking my heart

Was it cracking the code
Or just filling in time
Was that all
So then why'd you go back

To the scene of the crime
Did he call
Shall I take the blame
Or another assault on how it was
Then we'll get to the fact
That it's always my fault just because
You're breaking my heart

don't know what you want but I can't give it anymore
don't know what you want but I can't give it anymore
don't know what you want but I can't give it anymore
don't know what you want but I can't give it anymore

You're breaking my heart

don't know what you want but I can't give it anymore
don't know what you want but I can't give it anymore

Don't know what you want
Don't know what you want
