## Pet Shop Boys, I'm With Stupid

(Tennant/Lowe)

Oh-oh, I'm with Stupid Oh-oh, I'm with Stupid

See you on the TV Call you every day Fly across the ocean Just to let you get your way No one understands me Where I'm coming from Why would I be with someone who's obviously so dumb? Love comes Love grows every time you rise to meet me take my hand to greet me Love comes Love grows and power can give a man much more than anybody knows

Oh-oh, I'm with Stupid Oh-oh, I'm with Stupid Oh-oh, I'm with Stupid Oh-oh, I'm with Stupid

Before we ever met
I thought like everybody did
you were just a moron
a billion-dollar kid
You flew up all the way
like a hawk chasing a dove
I never thought that I would be
a sacrifice in love
It comes
It grows
and now we're tied together
everybody knows

Oh-oh, I'm with Stupid Oh-oh, I'm with Stupid Oh-oh, I'm with Stupid Oh-oh, I'm with Stupid

Is stupid really stupid or a different kind of smart? Do we really have a relationship so special in your heart?

Oh-oh, I'm with Stupid Oh-oh, I'm with Stupid

I have to ask myself like any lover might:
Have you made a fool of me? Are you not Mr. Right?
You grin
I pose It's not about sincerity Everybody knows

Oh-oh, I'm with Stupid

Oh-oh, I'm with Stupid Oh-oh, I'm with Stupid Oh-oh, I'm with Stupid

Is stupid really stupid or a different kind of smart? That's how you stole my heart I'm with Stupid
