

# Pet Shop Boys, That's My Impression (Disco Mix)

(Tennant/Lowe)

-----  
I went looking for someone I couldn't find  
Staring at faces by the Serpentine  
Walking slowly, I realised  
You'd been and gone - I know you lied  
That's my impression  
That's my impression  
That's my impression  
That's my impression

The wind was chilly and the sky was dull  
I went for shelter to the temple  
Once inside I couldn't believe my eyes  
You'd been and gone - I know you lied  
That's my impression  
That's my impression  
That's my impression  
That's my impression

Go to a club - you think I'll be there  
I don't go 'cause I'm not a member  
You said you went to apologise  
It's plain to me that's one more lie  
That's my impression  
That's my impression  
That's my impression (impression)  
That's my impression

I went looking for someone I couldn't find  
Staring at faces by the Serpentine  
Walking slowly, I realised  
You'd been and gone - I know you lied  
That's my impression  
That's my impression  
That's my impression  
That's my impression  
It's an expression  
And a suggestion  
I learned my lesson  
That's my impression  
That's my impression (impression)  
That's my impression  
That's my impression (impression)  
I learned my lesson

I went looking for someone I couldn't find  
Staring at faces by the Serpentine  
Walking slowly I - realised  
You'd been and gone - I know  
You lied - that's my impression  
I know you lied  
And that's my impression  
That's my impression  
My impression  
That's my impression
