

Pet Shop Boys, That's My Impression (Disco Mix)

(Tennant/Lowe)

I went looking for someone I couldn't find
Staring at faces by the Serpentine
Walking slowly, I realised
You'd been and gone - I know you lied
That's my impression
That's my impression
That's my impression
That's my impression

The wind was chilly and the sky was dull
I went for shelter to the temple
Once inside I couldn't believe my eyes
You'd been and gone - I know you lied
That's my impression
That's my impression
That's my impression
That's my impression

Go to a club - you think I'll be there
I don't go 'cause I'm not a member
You said you went to apologise
It's plain to me that's one more lie
That's my impression
That's my impression
That's my impression (impression)
That's my impression

I went looking for someone I couldn't find
Staring at faces by the Serpentine
Walking slowly, I realised
You'd been and gone - I know you lied
That's my impression
That's my impression
That's my impression
That's my impression
It's an expression
And a suggestion
I learned my lesson
That's my impression
That's my impression (impression)
That's my impression
That's my impression (impression)
I learned my lesson

I went looking for someone I couldn't find
Staring at faces by the Serpentine
Walking slowly I - realised
You'd been and gone - I know
You lied - that's my impression
I know you lied
And that's my impression
That's my impression
My impression
That's my impression
