Pet Shop Boys, That's My Impression (Disco Mix)

(Tennant/Lowe)

` -----

I went looking for someone I couldn't find Staring at faces by the Serpentine Walking slowly, I realised You'd been and gone - I know you lied That's my impression

That's my impression That's my impression That's my impression

The wind was chilly and the sky was dull I went for shelter to the temple Once inside I couldn't believe my eyes You'd been and gone - I know you lied

That's my impression That's my impression That's my impression That's my impression

Go to a club - you think I'll be there I don't go 'cause I'm not a member You said you went to apologise It's plain to me that's one more lie That's my impression

That's my impression
That's my impression
That's my impression (impression)
That's my impression

I went looking for someone I couldn't find Staring at faces by the Serpentine Walking slowly, I realised You'd been and gone - I know you lied

That's my impression
That's my impression
That's my impression
That's my impression
It's an expression
And a suggestion
I learned my lesson
That's my impression
That's my impression
(impression)
That's my impression
That's my impression
That's my impression
(impression)

I learned my lesson

That's my impression

I went looking for someone I couldn't find
Staring at faces by the Serpentine
Walking slowly I - realised
You'd been and gone - I know
You lied - that's my impression
I know you lied
And that's my impression
That's my impression
My impression
