(Come on, come on, come on, come on)
(How long will you do some more?)
(How long will you do some more?)
(You got to You got to - Love Love)
(Come on, how long will you do some more?)
(How long will you do some more?)
(LoLoLoLoLove)
(Aah) What do you want? (Aah)
(Aah) What do you want? (Aah)
(Come on, come on, come on, come on)
(How long will you do some more?)
(How long will you do some more?)
(You got to You got to - Love Love)
(How long will you do some more?)
(How long will you do some more?)
(LoLoLoLoLove)
(Oh) What do you want?
(Oh) What do you want?
(Come on, come on, come on, come on)
(How long will you do some more?)
(How long will you do some more?)
(You got to You got to - Love Love)
(How long will you do some more?)
(How long will you do some more?)
(LoLoLoLoLove)
What do you give
When the man who has everything needs such a lot?
Look how he lives
How there's only one thing he hasn't got:
Love
