

# Pete Townshend, Did You Steal My Money?

Did you steal my money?  
Did you steal my money?  
Did you steal my money?  
Did you steal my money?  
Did you steal my money?  
Did you steal my money?  
Did you steal my money?  
I wake up on broken glass  
But you left your number  
All the members in the cast  
You reckon I was lumbered

Did you steal it  
Did you screw me  
Did you feel it  
Did you do me, did you?  
Did you steal my money?  
Did you?

Are you out there Mr no-one  
Is my investment growing  
Sorry that I got so drunk  
But I wrote you a poem

Did you search me  
Did you turn me over  
While I cold turkeyed  
On the sofa  
Did you steal my money?  
Did you?  
Did you steal my money?

How can we forgive a grievance  
Now that we all live with demons  
Did you know that poor old veteran  
That you kicked right out of his bed  
Says that he cannot forget you  
But he does not wish that you were dead  
Leave his gold watch in reception  
He will keep the fifteen stitches in his head  
Did you steal his money

Did you pinch my trainer football  
Say you half inched it  
I thought I heard a female foot fall  
While I washed my kitchen

Did you use me  
Why'd I trust you  
Why'd you abuse me  
I won't bust you oh.....

Why did you steal my money  
Did you steal my money  
Steal my money  
Did you steal my wallet  
Fell right off my lorry  
Did you  
Did you lift my brasso  
Nick my gelt you asshole  
Did you steal my money  
Did you steal my money
