

Pete Yorn, How Do You Go On?

Came back from this big career
And turned it all around
Yeah, see them all over there?
They did it just like you
Oh, back to the beginning
And start it all again?
Never...
How do you go on?
Go on
Now you go on... how'd you go on?
You go 'round again
Wake up for the city lights
Baby don't know me
Baby don't understand
Wake up for the city
How'd you go on?
Go on
Now you go on
How'd you go, how do you go on?
Don't wait for me
There's no lies between us
Don't leave with me the rest of our live
How'd you go on?
Go on
Now you go on
How do you go...
How do you go... on?
How do you go on?
Go on
How do you go... on?
Go back to the beginning
And start it all again... never
