## Peter Cetera, Happy Man

Merely by chance Very unsuspecting You caught my heart Unprotecting me Now I've fallen in love with you

Just when I thought Life was free and easy You came along to me Soft and breezy Now I've fallen in love with you

(chorus)
And for the first time in my life
I know what it's like to be a happy man
Happy man
And for the first time in my life
You've given me something I can't understand
Now that I'm a happy man

Be with me now Love me forever Leaving you lady Is something that I'd never do I've fallen in love with you

All of my life it seems I have waited Now I can say all these words I have stated are true I've fallen in love with you I've fallen in love with you
