

Peter Cetera, No Explanation

you really took me by surprise
your someone i've needed for the laugh time
your heart was cleverly disguised
and it didn't look that way in my mind, tell me

how could it be i was the last to know
darling, i couldn't read what was in your mind
to turn around and love me

Chorus:

With no explanation i gave you everything i had
i didn't know that you would take it
with sweet consideration and after all that we've been through
i can't believe it's true until i hear you say...

my mouth is still wet from our last kiss
what's loving me oh what intentions?
what were the signs and the times i missed?
i need you more than i could mention

i won't ever accept you leaving for someone else (someone else)
baby if something is wrong darling i need to know
don't ever leave me

CHORUS X 3
