## Peter Gabriel, The Book Of Love

["Shall We Dance" Soundtrack]

The book of love is long and boring No one can lift the damn thing It's full of charts and facts and figures and instructions for dancing

But I I love it when you read to me And you You can read me anything

The book of love has music in it In fact that's where music comes from Some of it is just transcendental Some of it is just really dumb

But I I love it when you sing to me And you You can sing me anything

The book of love is long and boring And written very long ago It's full of flowers and heart-shaped boxes And things we're all too young to know

But I I love it when you give me things And you You ought to give me wedding rings

And I I love it when you give me things And you You ought to give me wedding rings

And I I love it when you give me things And you You ought to give me wedding rings You ought to give me wedding rings
