

# Peter Hollens, Imagine Dragons in Under 4 Min –

Whoa, oh, oh  
Whoa, oh, I'm,  
Radioactive, Radioactive  
I'm waking up to ash and dust  
I wipe my brow and I sweat my rust  
I'm breathing in the chemicals

First things first  
I'ma say all the words inside my head  
I'm fired up and tired of the way that things have been, oh ooh  
The way that things have been, oh ooh  
I was broken from a young age  
Taking my sulking to the masses  
Write down my poems for the few  
That looked at me, took to me, shook to me, feeling me  
Singing from heartache from the pain  
Taking my message from the veins  
Speaking my lesson from the brain  
Seeing the beauty through the

(Pain) When everything, everything, everything you touch turns to gold, gold, gold  
When everything, everything, everything you touch turns to gold, gold

I don't ever want to let you down  
I don't ever want to leave this town  
'Cause after all  
This city never sleeps tonight

When you feel my heat  
Look into my eyes  
It's where my demons hide  
It's where my demons hide  
Don't get too close  
It's dark inside  
It's where my demons hide  
It's where my demons hide

In the meantime we let it go  
At the roadside  
We used to know  
We can let this drift away  
Oh, we let this drift away  
At the bay side  
You used to show  
In the moonlight  
We let it go  
We can let this drift away  
Oh, we let this drift away  
And there's always time to change your mind  
Oh, there's always time to change your mind  
Oh, love, can you hear me?  
I won't let it drift away

I'm on top of the world, 'ey  
I'm on top of the world, 'ey  
Waiting on this for a while now  
Paying my dues to the dirt  
I've been waiting to smile, 'ey  
Been holding it in for a while, 'ey  
Take it with me if I can  
Been dreaming of this since a child

Cuz ur a Natural  
A beating heart of stone

You gotta be so cold  
To make it in this world  
Yeah, you're a natural  
Living your life cutthroat  
You gotta be so cold  
Yeah, you're a natural

But I'm a bad liar

I bet my life  
I bet my life for you

You make me a, you make me a #believer

feel the thunder  
like the Lightning

Whatever it takes

Woah, oh, oh  
Woah, oh, I'm

Yeah you're a Natural

I'm on top of the world
