

# Peter Tosh, Can't You See

Told me you loved me  
Right from the start  
Don't play no tricks  
Don't break my heart

Told me you loved me  
And I said why  
You think I'm gonna cry

"Chorus:"  
Can't you see  
What your'e doing to me  
I am bound  
You've got to set me free

You jerk on my heart  
Shatter my brain  
If you have conscience  
Ain't that a shame

Told me you loved me  
To make my cry  
And I said I don't know why

"Chorus"

Then if you love me  
Don't treat me so bad  
I could give you something you never had

See you sitting up there  
And you're looking so mad  
Your imagination is making you sad

"Chorus"
