Peter Tosh, Cold Blood

Every time I see Babylon my blood runs cold Every time I see the wicked men my belly moves

You say after me sir I solemnly swear That the evidence I shall give Shall be the truth The whole truth And nothin but the truth

So help me God So help I Jah "(3x)" .. Rastafari Every time I see the wicked men my belly moves

You are brought before this court For having ganja in your possession Guilty or not guilty Not guilty your honor

How could one man do such a thing ... Gang Jah It is totally impossible your honor

I can remember yeah When I was framed and jailed, brutalized The grudge would find me guilty For an exhibit they could not find

Every time I see Babylon my blood runs cold Every time I see the wicked men my belly moves

When I see the condition I said it's a curse For the past 400 years ago Things get from bad to worse

Every time I see Babylon my blood runs cold Every time I see the wicked men my belly moves
