

# Peter Tosh, Creation

(King of Kings, hallelujah)  
(Lord of Lords, hallelujah)  
(King of Kings, hallelujah)  
(Lord of Lords, hallelujah)

In the beginning was the Word  
And the Word was with Jah  
And the Word was Jah

In the beginning Jah created the heaven and the earth  
Then he created man of his own likeness and image  
Gave unto man wisdom, knowledge, overstanding

Jah is my life and my strength  
So whom shall I fear  
He is a shield upon my right and my left hand  
Jah is my king

Jah is my light and my salvation  
So whom shall I fear  
He is my guide throughout this Creation  
So whom shall I be afraid  
Jah is my king

Jah is my guide  
In my resting and my rising  
So whom shall I fear  
He is my guide when I step out and forward  
So whom shall I be afraid  
Jah is my king

Jah is my guide  
When Philistines come down upon I  
So whom shall I fear  
He is my guide when my enemies come to devour I  
So whom shall I be afraid  
Jah is my king

Jah is my guide  
From the pestilence of darkness  
So whom shall I fear  
He is my guide from the vampires of hell  
So whom shall I be afraid  
Jah is my king

Jah is my health and my strength  
So whom shall I fear  
He is a shield upon my right and my left hand  
So whom shall I be afraid  
Jah is my king
