Peter Tosh, Crystal Ball

Lookin' at your crystal ball, culture man I say: Lookin' in your crystal ball, culture man What do you see, culture man Tell me what do you see, culture man

I see people victim Prices rising Gas shortage And the dollar devalue

In the city
In a you shitty
In the city
In a the shitty

Come on lookin' at your crystal ball, culture man Come on lookin' at your crystal ball, culture man What do you see, culture man Tell What do you see, culture man

I see them churches locked down Schools closed down Politicians promising Teacher striking

In the city
In a you shitty
In the city
In a the shitty

Come on come on lookin' at your crystal ball, culture man I say: Lookin' at your crystal ball, culture man Tell me tell me what do you see, culture man Tell me what do you see, culture man

I see youths rising Blood running Fire burning Got crying

In a the shitty In a the shitty In the city It is a shitty

Lookin' at you crystal ball, culture man I say: Lookin' at you crystal ball, culture man What do you see, culture man Tell me what what do you see, culture man

I see truth revealing People cleansing Downpresser chasing People seeing

In a the shitty...

I say: Lookin' at you crystal ball, culture man Keep on lookin' at you crystal ball, culture man Let us have a view on the inside, culture man We see too much of the outside, culture man

Give me a glimpse in a you crystal ball culture man Make me see what a gwan, culture man Long time we blind So so blind
